

LET'S ENJOY A DRINK.

All great drinks deserve a place at the table. The right drink at the right time elevates everything around it. At the Beach House, we select drinks that balance, complement, and lift up our locally sourced, globally inspired cuisine.

We further celebrate wine's preeminent role in dining. With an emphasis on classic seafood wines, we proudly present an ever-changing array of wines for all occasions, from luxurious classics to undiscovered gems.

We look forward to sharing your old favourites and our latest discoveries.

MARTINI

The exact origin of the martini is unclear.

In 1863, an Italian vermouth maker started marketing their product under the brand name of Martini, after its director Alessandro Martini, and the brand name may be the source of the cocktail's name. Another popular theory suggests it evolved from a cocktail called the Martinez served sometime in the early 1860s at the Occidental Hotel in San Francisco. These theories only add to the allure and magic of the martini.

Clean, crisp, and delectably smooth, the martini has become the definition of a classic cocktail that has spanned generations. Our extensive list explores its versatility by featuring different spirit bases, twists, garnishes, and flavours.

No matter how you like it, it's a wonderful way to start your meal.
